NOTICE TO MEMBERS

Dear members,

We are delighted to report that we had a successful Annual General Meeting, held at Southern Sun Elangeni Hotel, on 12 November 2010.

We would like to thank all members who made time to attend and new members that joined on the day for your contributions during the discussions.

- **Court Challenge, NSBE v ECSA:**

You are once again reminded that NSBE is pressing ahead with the court challenge against Engineering Council of South Africa. The court date is set for 06 December 2010.

The National Leadership of NSBE has made efforts and continues to do so in trying to reach an out of court settlement on the matter. To date there has been no break through; hence the matter looks set to be heard in court.

We urge all members of NSBE who can make way to court to pledge their support and solidarity to the course to do so. We would like to remind members that this matter is at the core of Transformation for our Profession. The mandate that NSBE Leadership carries is to ensure that Transformation is achieved within the profession. We are therefore not backing down on this challenge until relief is granted.

The Court: NORTH GAUTENG HIGH COURT, PRETORIA
